**Happy
Birthday!**

10/9 Brooke B.

10/30 Sam S.

ANNOUNCEMENTS

As a reminder, tuition is due on Mondays for the current week or the first day of attendance. Tuition Express is an easy option to have your tuition automatically drafted from a bank account or debit or credit card.

Our center has partnered with REACH, a special training program for early childhood teachers that focuses on promoting social and emotional skills in the classroom. We will post **Parent Pages** that provides information about what children and teachers are practicing in the classroom and fun suggestions for families to try at home. We encourage you to check these out!

WELCOME!

CURRICULUM

“FALL FUN”

Leaves have begun to change color. Trees are full of apples. Yards and porches are adorned with pumpkins and gourds. The signs of fall are all around us! This month we will celebrate the “Harvest Happenings” during Week 1. Week 2 finds us exploring “Fall on the Farm,” while “Fall in the City” is the focus of Week 3. During the last two weeks of this month your children will enjoy learning different “Fairy Tales and Fables.”

CRAFTY CORNER

“Autumn Adornment”

1 Cup Salt	Mix dry ingredients then
1 Cup Flour	slowly add water. Mix
½ Cup Water	until dough forms.

Roll dough into a ball and then flatten to approximately ¼” thick to form a circle. Press your child’s hand into dough to create impression. Form a pumpkin stem out of dough. Use a knife dipped in water to smooth out edges. Let set for 24-48 hours. Paint and display. Once paint is dry you can use a sharpie to write your child’s name and the date. You can do this every fall and soon you will have your very own pumpkin patch.
