

Bright Ideas

Enrichment Center, Inc.

Sherwood, AR

April 2018

Center Director: Melissa Moreno

SPOTLIGHT

We will be planting a small straw bale garden off to the side of the playground. The Kamp Kids helped place the straw bales and have planted their seeds in their classroom to get them ready to go into the straw bales. Kamp Kids and Butterflies took a field trip to Lowe's in North Little Rock to learn about plants and gardening and pick out their vegetable seeds. A huge **THANK YOU** to Mr. Mayfield for facilitating our trip!

Reminders

- Please ensure your child has weather appropriate change of clothes.
- Label all belongings.
- Closed toe shoes only. This protects your child's feet while playing outside.
- All medications including Rx, over-the-counter, and topical must have a prescription label on it with your child's name and dosing information and be accompanied by a Medicine Authorization form.
- Outside food is prohibited unless you have a medical waiver or dietary restrictions that have previously been discussed or for special occasions.

Learning Themes

- Week One: Baby Animals
- Week Two: Turtles & Tadpoles
- Week Three: "Great Gardens"
- Week Four: Picnics
