SPOTLIGHT

Our Pre-K Butterflies graduated on Friday, May 18, 2018. They have worked very hard this school year and learned lots of fun things from writing their names to being a good friend. They were cheered on by a myriad of friends and family. We want to thank all of our families for allowing us to love and teach your children! We know they will shine bright in kindergarten!

Reminders

- Please ensure your child has weather appropriate change of clothes.
- Label all belongings.
- Closed toe shoes only. This protects your child's feet while playing outside.
- All medications including Rx, over-the-counter, and topical must have a prescription label on it with your child's name and dosing information and be accompanied by a Medicine Authorization form.
- Outside food is prohibited unless you have a medical waiver or dietary restrictions that have previously been discussed or for special occasions.
