**Please remember
to scan children in
and out daily.**

[Health & Safety Tips](#)

Flu season is approaching but we can help. Remember to get your flu shot.

To prevent the flu: 1. Cover your nose and mouth with a tissue when you cough or sneeze. 2. Wash your hands often with soap and water. 3. Avoid touching your eyes, nose, and mouth. 4. Try to avoid close contact with sick people.

[Friendly Reminder](#)

PARENTS If your emergency contact information has changed, take a moment to update that information with the office. We need to be able to contact you in the case of an emergency. In addition, please make sure that your child has a change of clothes. Check to make sure they are appropriate for the weather.
