We Will Be Closed July

Water play days are here!!! Please make sure that you send your child's swimsuit, sunscreen, towel, water shoes, and a plastic bag. Please label ALL items to insure all items return to you.

As a center we are open 6am-6pm and we encourage you to use any of those hours to meet the needs of your family. We do ask that if your child is not in the building by 9am that you do call and inform the office that your child will be here for the day.

We do our very best to meet the children's need and prepare for the day. (ex. cooking for lunch, educational needs, and rest needs) It does become a little challenging to meet those needs when we do not have proper communication.

As always, we encourage families to have their children here by 9am to take advantage of our educational opportunities and maintain a schedule that benefits all the children in the classroom.
