Teacher's Appreciation Week
 May 7-11

Bright Ideas is an amazing and loving place for your children because of our teachers. Please let your child's teacher know how much you appreciate how hard their work.

- Take a puzzle piece home (you can do 1 as a family or each child can do one) They are on the table outside the offices.
- Color the piece
- Return it to Ms. Stacey
- Watch as our puzzle (family) come together

A mother is seeing that there is only 4 pieces of pie for 5 people, promptly announces that she never cared for pie anyway.
