## Director's News

April showers bring May flowers, green grass, budding trees, and children ready to get outside to play. Please remember to bring a change of clothes for your children. Also remember open toed shoes are not allowed for your children for their safety.

We are excited to have several new families and we want to welcome you to our "Bright Ideas Family."

Thank you all for entrusting your children to our care. Please know that my door is always open should you have a compliment or concern.
