Saturday, Sept. 22nd First day of
Fall

School Age Parents

Please remember to call at least one hour before school is dismissed to notify us that your child will not be riding our bus. We do not leave the school until each child is accounted for. It is extremely important that we be aware ahead of time that we will not be picking your child up from their Elementary School so our bus can stay on schedule. Thank you!

WELCOME

A BIG welcome to our new students!!!

Parent Participation

Your involvement in your child's education is extremely important. It is our goal for them to be the very best they can be. But, in order to accomplish this, we rely on open communication between teachers, administration, parents and guardians. We want you to feel free to communicate any questions or concerns you may have. Your child's teacher must also be able to communicate their concerns and questions. Please make sure you limit cell phone use in the building in order to make yourself available to all teachers and staff. Also, be sure to provide any changes to

your contact information as they occur.

We have Parent/Teacher conferences three times each school year: November, February and May. I encourage all parents to make time to attend. This will be a great opportunity to sit down, one on one, with your child's teacher and discuss what your child is exceling in and what they may be struggling with and then formulate an educational plan that will meet your child's needs.

Happy Birthday!
